COVER: ***Books Give Us Wings*** will be the theme of the 1989 Arizona Summer Reading Program, in harmony with the Library of Congress 1989 Year of the Young Reader theme, *Give Us Books, Give Us Wings*. The Giant Swallowtail Butterfly pictured was caught napping—or perhaps just spreading his wings—on an exterior window spline at the new Glendale Public Library. PHOTO: BETH FRANCIS

NOTES

1. This publication combines the Annual Statistical Report and Library Directory into one document.

2. Population figures have been taken from sources provided by the Arizona Department of Economic Security.

3. All current FAX numbers are included.

4. Hours open for the academic libraries are listed.

5. A list of federal depository libraries is included.

6. The population figures given for each county include the following components:
   a. Incorporated cities and towns, city-county and county library service areas;
   b. Unincorporated communities and
   c. County totals for incorporated cities and towns and unincorporated areas.

7. The city population of a city-county library is followed by the population that is the primary responsibility of the county library. This figure includes the population of unincorporated communities that have public library service, residents of incorporated cities and towns without public library service, and the population of the county that does not have access to site library service. In many counties, libraries serving incorporated cities and towns may also receive services from the county library although this is not reflected in these figures.

8. Navajo County Library no longer exists.

9. The following are now County Library Districts:

Apache	Mohave
Cochise	Pima
Coconino	Pinal
Gila	Yavapai
Maricopa	Yuma

This publication was funded in part with funds provided by the Library Services and Construction Act, State Administered Program, P. L. 98-480, as amended.
